- Achievement of the grant metric
- How the funds were spent
- What you learned
- How you recognized OTF
- Volunteers involved, economic impact (FTEs), financial and in-kind support
- You will be asked to attach photos
REPORTING — THE BUDGET

• Report only on OTF funds spent during the grant.
• Report on actual costs, less any costs (including HST and other taxes) for which you have received or are eligible to receive a rebate, credit or refund.
• Include notes to explain any surplus’, deficits, and reallocations.
• Surplus funds at the end of the grant must be returned to OTF, per OTF’s Grant Rescind and Recovery Policy.
• Read our policies on Eligibility and Reallocation of Grant Funds.
• Review Use of Grant Funds in Grant Contract Terms and Conditions.
Commitment to achieving specific grant metrics

• Targets and metrics were identified in your application and are documented in your grant contract

• In your final report, you will be asked to report on the progress made towards achieving the grant result metric that’s associated with your chosen Grant Result
When nothing can be done to keep a grant on track, it may be rescinded – either at the grantee’s request, or ours.

OTF may rescind a grant if:

- A grantee fails to observe, or uses grant funds for purposes that are contrary to, OTF’s policies, program guidelines or Grant Contract
- A grantee is unable to achieve the grant’s outcomes
- The grant is not completed within the timelines listed in the Grant Contract
- Circumstances prevail that seriously jeopardize the successful completion of the grant or management of grant funds
- Grant funds have been misappropriated

See OTF’s Grant Rescind and Recovery Policy for more information
The Grantee Compliance Audit asks grantees to substantiate:

- Their achievement of the metric, e.g., photos, reports, manuals, videos, registrations, databases, surveys, permits, etc.

- Their spending of the grant funds as per the approved Grant Budget e.g., general ledger, invoices, quotes, contracts, receipts, bank statements, etc.
Required grantee recognition of OTF

The OTF Recognition Policy states grant recipients will:

1) Hold a recognition event at the beginning, middle or end of the grant
2) Invite your local MPP and an OTF representative
3) Include an OTF logo on your website
4) Acknowledge the funding in grant-related materials, online and in print

Four things to remember when planning your grant recognition event:
