West Credit Appreciation, Rehabilitation and Enhancement Project (WeCARE) c/o Credit Valley Conservation

\$61,900 over 30 months to protect and enhance the health of the West Credit River watershed. (An additional grant of \$61,900 from Waterloo, Wellington and Dufferin will support this activity.)

Halton-Peel

2006-2007

November 1 deadline

Ratified by the Ontario Trillium Foundation Board of Directors on March 7, 2007

The Archers of Caledon

\$22,300 over one year to support the hosting of the 2007 National Target Archery and the National Field Archery championships in Peel. This will help further the growth of the sport and enhance the skill level of participants.

The Black Community Action Network of Peel c/o African Community Services of Peel

\$75,000 over one year for program costs to undertake a survey and study. The results will help develop the knowledge and organizational capacity of Peel's human services sector to respond effectively to the needs of the black community.

Brams United Girls Soccer

\$20,000 over one year to provide skills development training to 40 volunteer coaches for this Brampton girls' soccer club. This initiative will lead to improved quality and safety of the game for its members.

Burlington Track & Field Club Inc.

\$65,000 over one year to purchase track and field equipment that will help the club enhance and expand its current programs. This will attract more participants from youth aged 13 to 18 years in the community.

Gateway Centre for New Canadians

\$50,000 over one year for renovations to create an indoor basketball and athletic court. The new facilities will enhance social and recreational programming for youth at this popular community centre in Mississauga.

Georgetown Skating Club

\$28,000 over one year for equipment access for low-income families and coaches' training and development to increase the club's capacity to provide learn-to-skate programs for all community families.

Get Active Mississauga - YMCA Mississauga c/o YMCA of Greater Toronto

\$271,400 over four years to support the Get Active Mississauga collaborative as it implements the Mississauga Community Activity Action Plan. This program aims to enable all local residents to be physically active and live healthier lives.

Habitat for Humanity Halton

\$207,000 over three years for program costs, administrative costs and hiring a site supervisor. Organizational capacity will improve, enabling the group to provide more suitable and affordable housing for Halton's working-poor families.

Halton Family Services

\$14,500 over six months to upgrade computer hardware in order to enhance organizational efficiency. This will help to improve and expand the effective delivery of the agency's counselling services and other programs.

Halton Healthy Community Funding Consortium c/o Regional Municipality of Halton

\$47,200 over one year to contribute to the Halton Healthy Community Consortium, a funding collaborative supporting community-based initiatives that promote healthy and sustainable communities.

Hope Place Centres

\$14,600 over one year to upgrade computer systems and obtain high-speed Internet service for better managing client information. This will allow this Milton group to provide better and faster service to clients who are recovering from addiction.

Ian Anderson Resource Centre

\$150,000 over two years to recruit volunteers and develop and provide educational materials. Funding will enable the centre to offer more information and support to individuals who care for loved ones dying at home in the Halton and Peel regions.

Labour Community Services of Peel

\$150,000 over three years for services that will help reduce workers' income vulnerability. These services also help workers in this diverse community to build healthy productive lives.

Mississauga Swimming c/o Mississauga Swimming Development Club (MSDC)

\$64,400 over one year to purchase electronic timing and computer equipment. The club's capacity to provide quality recreational programs and host swim meets at the University of Toronto (Mississauga campus) swimming pool facility will then improve.

Oakville Curling Club

\$32,000 over one year to install a roof snow-guard that will enhance the safety of the facility, and to purchase little rocks to support the participation and development of young curlers.

Oakville Waterfront Festival

\$65,000 over two years for promotions and materials to support the Garden Smart program at the festival. The initiative promotes environmental awareness and healthy, ecological gardening practices to local residents and school children.

Our Kids Network c/o Halton Children's Aid Society

\$104,100 over three years to expand the Acton program's co-ordinator position to one that is full time. This grant will improve community engagement for parents, youth and children, and developmental and educational outcomes for youth and children.

Partners for Helping at Risk Youth in Peel c/o Social Planning Council of Peel

\$264,000 over four years for a culturally appropriate skills development and mentorship program. It will encourage young people to remain in school and reduce the incidence of school suspension among African-Canadian youth in the Malton area.

Peel Committee Against Woman Abuse c/o Interim Place

\$215,000 over three years to conduct an information and education campaign on violence against women in Peel. The program will help build community awareness and promote action for a safer community.

Peel Lunch and After School Program - Child Care Services

\$60,000 over two years to support a part-time space facilitator. The number of before- and after-school childcare programs in Peel schools can then increase, providing accessible and safe developmental programs for children.

Region of Peel & Credit River Watershed Natural Areas Inventory c/o Credit Valley Conservation

\$197,700 over four years toward the development of a natural areas inventory for the Credit River watershed. The program will collaborate with local conservation groups to increase understanding, awareness and protection of the natural environment.

Tecumseh Tennis Club

\$35,600 over one year to repair a tennis court, which will increase the availability of space and promote healthy physical activity for the community and local schools in Mississauga.

Vancliffen Arts Foundation

\$5,000 over six months to deliver a dance education program for young dancers and dance teachers in the Region of Peel. The program will help to promote a higher standard of dance education, especially in classical ballet.

Victorian Order of Nurses - Halton Branch

\$78,000 over three years to increase volunteers for a variety of health programs. This will help the organization serve more clients through the Tele-touch Reassurance Service and Friendly Visiting programs in Halton.

White Oaks Park Tennis Club

\$9,000 over one year to rebuild a tennis practice wall that will improve safety and provide more practice and skill development opportunities for this Mississauga club's 1,000 members.

July 1 deadline

Ratified by the Ontario Trillium Foundation Board of Directors on October 26, 2006

Acton Agricultural Society

\$100,000 over one year to install indoor artificial turf for the Acton Agricultural Society's new facility in Prospect Park, enhancing its use for indoor soccer leagues and community recreational activities.

Acton Aqua Ducks

\$75,500 over four years to enable the group to implement revenue replacement strategies that include increased sponsorships, the development of a novice swim team and CPR courses.

Acton Curling Club

\$70,000 over one year to install a new ice refrigeration plant in the curling facility, which will improve playing conditions and enhance the growth of the sport of curling in Acton and surrounding communities.

The Bolton Tennis Club

\$73,500 over one year to remove and replace the surface of these well-used community tennis courts, providing a safe and pleasant facility where tennis can be enjoyed at a recreational level.

Brampton Youth Hockey Association

\$153,600 over three years to assist the association in ensuring that its volunteer coaches have proper certification and risk-management training, as well as increasing community access to hockey programming.

Brampton-Caledon Orchestra

\$22,300 over one year for speciality percussion instruments, sheet music and equipment. Promotional activities will be supported and a small fee given to the conductor so more young people can afford to explore music in an orchestra setting.

Camelot Centre Adult Day Program

\$69,200 over two years to support this day centre for adults with intellectual disabilities in Burlington as it builds an effective and sustainable fundraising program.

Catholic Family Services of Peel-Dufferin

\$230,000 over four years to help increase the organization's profile and revenue-generation capacity, helping it to enhance its service capacity for the growing number of individuals and families in need in the Region of Peel.

Community Development Halton

\$192,100 over three years to increase the capacity of Volunteer Halton to provide training in effective volunteer management, web resources and other support to not-for-profit organizations.

Devereaux House Preservation Project c/o Georgetown Soccer Club

\$100,000 over one year to preserve and renovate the historic Devereaux farmhouse as a public rural heritage property for use by the residents of Halton Hills.

Employment Options for the Developmentally Handicapped (Mississauga)

\$220,200 over three years to increase the number of individuals with intellectual disabilities who can gain meaningful work experiences in an inclusive business-work environment.

Halton Hills Community Support and Information (HHCSI)

\$225,000 over three years to reduce anti-social behaviour among youth in Halton Hills by enhancing core programs at the Georgetown youth resource centre that will provide support to young people and their parents.

Healthy Mississauga 2010 Plan c/o United Way of Peel Region

\$255,000 over four years to support the co-ordination and implementation of the Healthy Mississauga 2010 Plan, which aims to chart a course for residents, businesses and local organizations to collectively work toward a healthy community for all.

The Kerr Log House Feasibility Project c/o Caledon Heritage Foundation

\$25,000 over six months for a cultural heritage, resource-management feasibility study to determine the viability of redeveloping the historic two-storey Kerr log house as a community centre in Caledon.

Mississauga Ringette Association

\$31,700 over one year to increase participation by enhancing the programs offered by the club. Intensive skills-development training will be offered to participants and coaches and promotional activities will be carried out.

Mississauga Ringette Association

\$31,700 over one year to increase participation by enhancing the programs offered by the club. Skills-development training will be offered to participants and promotional activities will be carried out.

Oakville Music & Art Shared Space Inc. (M.A.S.S.)

\$215,000 over three years for staffing and operating resources that will help establish a shared, multipurpose community-cultural facility to support the growth and activities of local arts and cultural organizations in Oakville.

Ontario Cricket Development Organization

\$25,000 over one year to help the organization expand its KIDDIE Cricket League, introduce the sport to local schools and accommodate more boys and girls in Peel in the daily coaching and training program.

Ontario Electric Railway Association Inc.

\$35,000 over one year to improve this Halton museum's website, enabling it to reach out to new audiences and increase awareness of the museum and Canadian transportation history.

Regional Diversity Roundtable c/o Social Planning Council of Peel

\$207,000 over three years to help develop and implement strategies and activities that will assist human services organizations in Peel in building diversity competence and a more effective and culturally appropriate service-delivery system.

Seniors Life Enhancement Centres

\$12,500 over nine months to conduct a needs assessment of the issues faced by caregivers and care-recipients in the Region of Peel so that recommended course of actions can be developed to effectively address these needs.

St. John Fisher Early Years Partnership c/o Brampton Neighbourhood Resource Centre

\$216,600 over three years to support integrated, neighbourhood-based, healthy early-childhood and parent programs in response to the demonstrated needs of young children and their families in the area of St. John Fisher School in south Brampton.

St. Leonard's House (Peel)

\$80,700 over one year to install an elevator in Rotary Resolve House, which will ensure full accessibility to this residential and community facility for chronically homeless and other vulnerable populations.

Visual Arts Mississauga

\$271,300 over four years to implement OFF THE WALLZ, a program that involves children and youth in the Mississauga area in new and creative learning opportunities through visual arts, including themed mural production and community art events.

Youth Peace Leaders: Youth Leading the Way to Healthy and Tolerant Communities c/o Inter-Cultural Neighbourhood Social Services

\$225,000 over three years to develop and implement a collaborative initiative in Peel Region that will help build youth's capacity to assume leadership roles in managing conflict.

March 1 deadline

Ratified by the Ontario Trillium Foundation Board of Directors on June 29, 2006

Bramalea Gymnastics Club Inc.

\$125,700 over three years to promote physical activity for the community by expanding the current gymnastics programs to include non-traditional activities such as trampolining and power tumbling.

Brampton Neighbourhood Resource Centre

\$225,000 over three years to provide an educational, social and recreation program for youth aged 7 to 16 years in the Central Brampton area.

Burlington Community Foundation

\$90,000 over three years for a fund development co-ordinator to build and support volunteer capacity for asset development.

Burlington Curling Club

\$40,000 over one year to contribute to the improvement of the curling facility by enhancing its attractiveness and capacity to host local sporting and other community events.

Burlington Historical Society

\$24,100 over nine months towards the publication of a book about Burlington's once internationally famous Brant Inn. The effort will help to preserve and promote the community's significant local heritage for present and future generations.

Caledon Community Services

\$67,000 over two years to work with alienated youth, helping them find direction, housing, employment and other supports.

Canadian Psychiatric Research Foundation

\$75,000 over three years to promote greater awareness of mental health issues affecting youth in the Greater Toronto Area through a program of workshops for caregivers, educators, youth, social workers, health professionals and family members. (Additional grants of \$75,000 each in Toronto and Simcoe-York will support this initiative.)

Carabram Brampton's Multicultural Festival

\$69,000 over one year to enhance organizational capacity to draw on new pavilions, corporate sponsors and new audiences in support of Brampton's multicultural festival's 25th anniversary celebration.

Centre culturel de ressources francophones pour les communautés ethniques (CEREFRAAC)

\$10,000 over one year to cover administrative costs, volunteer training and the creation of a website that will increase community engagement of youth and parents of franco- African origin in the Brampton area.

Centre de services de santé - Peel et Halton

\$134,000 over two years to develop strategic and business plans that will help the organization face new needs and health priorities for the Francophone population in Peel and Halton regions and ensure the continuity of service delivery.

Centre francophone de santé communautaire de Mississauga

\$134,000 over two years to develop strategic and business plans that will help the organization face new needs and health priorities for the Francophone population in Peel and Halton regions and ensure the continuity of service delivery.

Community Living North Halton

\$55,600 over one year to hire a co-ordinator who will engage community partners in developing a workable shared-space, shared-service model for this centre in Peel.

Family Services of Peel & Catholic Family Services of Dufferin-Peel Collaborative c/o Family Services of Peel

\$211,500 over three years to develop a comprehensive service system providing support to men who have been abused in childhood. Twenty-one community agencies will work together to support program participants.

Georgetown Lawn Bowling Club

\$12,000 over one year to carry out minor renovations to the clubhouse and purchase a new greens aerator. These will improve playing conditions and increase the club's capacity to host tournaments.

Grace United Church

\$150,000 over two years for contractor services to repair the church's brick exterior. This will restore the structural integrity of this heritage-designated building so it may continue to provide extensive outreach programs in the City of Brampton.

Higher Ground Neighbourhood Outreach

\$50,600 over two years for staff, space rentals and equipment to provide musical training to children and youth aged 7 to 18 years in northwest Brampton. The experience will broaden learning and personal growth and promote appreciation of the arts.

Limehouse Kiln Restoration Project c/o Limehouse Kiln Society

\$150,000 over one year to stabilize and rebuild the draw kiln, a significant feature of the industrial lime-manufacturing heritage complex. This will improve safety and enhance interest in this unique historic site.

Maple Grove United Church

\$110,000 over one year to install an elevator in this multilevel facility. This addition will make the church fully accessible to the many community groups in Oakville who use it as a gathering place for people of all abilities.

Milton Choristers

\$2,400 over one year to develop promotional materials and purchase a laser printer. This group will be able to better promote their performances, helping to increase appreciation of the music arts in the community.

Milton Concert Band (MCB)

\$15,000 over one year to purchase musical instruments and music folders. The new equipment will help this community band offer a greater variety of quality music to the community as well as help increase its membership.

Mississauga Festival Choir

\$27,300 over two years to hire section leads, obtain rehearsal space and develop a marketing plan. A chamber choir will be created, increasing the choir's repertoire and enabling it to perform at smaller community venues in the area.

North Halton Power and Sail Squadron c/o Kiwanis Club of Georgetown

\$8,000 over one year for training equipment, promotional activities, and the delivery of boating courses. This initiative will enhance the quality of safety training and promote boater safety to hundreds of boating-licence students.

The Oakville and District Humane Society

\$89,700 over one year to acquire software, hardware, and hire a contract staff to support staff training. This initiative will improve the society's management and delivery of services, support fundraising, and enhance community outreach.

Peel Region Project c/o Epilepsy Peel Region

\$53,500 over one year for a program co-ordinator, training costs and materials. Educational forums will be provided to raise community awareness, and new support programs and services will be offered to individuals with epilepsy and their families.

Ringette Association of Burlington

\$14,600 over nine months for coach development, equipment and a promotional initiative. These will enable the club to promote the sport of ringette to the wider community, encouraging healthy activity for girls aged 4 years and older.

Royal Canadian Legion - Lt. Algie V.C. Branch 449 - Alton

\$121,200 over one year to create a barrier-free community facility in Alton. Improvements to the entranceway, washrooms and a mechanical lift will allow the Legion to meet increased demand for accessible community space.

Senior Tamils Society of Peel

\$139,300 over two years for a project co-ordinator, space and equipment to help Tamil seniors overcome isolation. Outcomes will include increased volunteerism, participation in recreation and fitness programs, and education about environmental issues.

Supportive Housing In Peel

\$75,000 over one year for a co-ordinator, supplies and a vehicle to expand the DC Business program. This social enterprise will be able to grow, providing skills, employment training and opportunities for mental-health survivors.

Tora Martial Arts Club

\$66,200 over one year to host specialized clinics, purchase mats and install a new sub-floor that will improve the quality and safety of martial arts programs for the Brampton community.

Trout Unlimited Canada

\$126,000 over two years for a water-steward specialist and equipment to implement a restoration project in Lowville. Local landowners and the community will be engaged in activities to restore the aquatic health of the Bronte Creek Watershed.

Volunteer Mississauga Brampton Caledon (Volunteer MBC) c/o Social Planning Council of Peel

\$375,000 over five years for staff, communications, office furniture and equipment to establish and develop a new volunteer centre. This initiative will help strengthen volunteerism in Peel and increase local organizations' support to volunteers.

Way To Your Future c/o Goodwill, The Amity Group

\$147,200 over two years to expand the employment and school retention program in North Halton. Support will be given to secondary school students at risk of dropping out, and training will be provided to help them build a viable economic future.

The Women's Centre

\$96,400 over two years to provide language-appropriate peer counselling for immigrant women who are facing crisis and distress in Halton Region.

World of Threads Festival

\$11,900 over one year for materials, signage and advertising to help grow the World of Threads Festival in Oakville. Marketing and infrastructure support will help boost attendance and enhance appreciation for this unique community artistic event.

March 1 deadline

Ratified by the Ontario Trillium Foundation Board of Directors on June 26, 2008.

Advocacy Committee for an Arts, Culture and Heritage Plan c/o Georgetown Choral Society

\$32,900 over one year to organize and deliver a two-day symposium. This meeting will engage stakeholders in creating a community-based arts, culture and heritage action plan, which will be an important framework for local arts decision making.

Bereaved Families of Ontario - Halton/Peel

\$116,800 over two years to hire an executive director who will take the lead in refocusing the organizational and fundraising capacity of this organization based in Mississauga.

Best Practices for Greening Corporate Grounds c/o Evergreen

\$219,800 over 42 months to implement Greening in Corporate Grounds in Mississauga. This initiative will promote environmental stewardship and naturalization activities in corporate and institutional landscapes.

Brant Hills Presbyterian Church

\$60,000 over one year to improve accessibility to the basement of this church in Burlington. The renovations will create barrier-free access to the community hall for people of all abilities.

Burlington Gymnastics Club Inc.

\$73,400 over one year for capital improvements to the club's 27-year-old facility. The improvements will help improve safety, enhance energy use and create a positive physical

environment for hundreds of children and their families.

Burlington Hoops Basketball Club

\$20,000 over one year to help operate and support the development of this new basketball club. This will increase access, participation and skills development for children involved in the sport.

Burlington Kolumbus Club

\$85,600 over one year to renovate the washrooms, doors and entrance of the Burlington Kolumbus Hall. These upgrades will make it barrier-free and more attractive as a community meeting place.

Canada Odisha Society of Americas (CanOSA)

\$13,500 over one year to purchase musical instruments and other entertainment equipment. The quality of artistic performances will then improve and help promote and preserve the cultural heritage of the Orissa community in Brampton and area.

Community Diversity Leadership c/o The National Movement for Harmony in Canada

\$225,000 over three years to implement a diversity leadership-training program for students and adults in Peel. It will help to promote cultural awareness, diversity competence, harmony and respect.

Community Foundation of Mississauga

\$175,000 over three years for additional staff to help strengthen the Foundation's capacity. It will then be able to further grow endowed assets, build leadership, and enhance healthy benevolent activities and culture in the community.

Community Living North Halton

\$150,000 over two years for staff to engage volunteers and develop community partnerships in North Halton. These efforts will raise awareness of the organization and help set up an aggressive fundraising campaign.

Culture Philippines of Ontario

\$30,500 over one year to acquire indigenous musical instruments, props, staging and sound equipment. These improvements will help to enhance and expand this Peel cultural group's repertoire of music and dance performances.

Full Circle Judo Club

\$42,900 over three years to hire a part-time co-ordinator. This staff member will collaborate with community groups to develop new programming and expand physical activities for children, youth and families in Burlington and Halton.

Halton Healthy Community Funding Consortium c/o Regional Municipality of Halton

\$25,000 over one year to contribute to the Halton Healthy Community Consortium's funding pool, which helps support community-based initiatives that promote healthy and sustainable communities.

Home Suite Hope Shared Living Corp

\$192,000 over three years for staff who will help grow and expand a transitional housing and support program in Halton. The program helps individuals and families who are homeless or at risk of being homeless as they move toward self-sufficiency.

Kalayaan Cultural Community Centre (KCCC)

\$141,600 over four years to hire a co-ordinator to work with the centre's many volunteers. These volunteers support the wide range of arts, recreation, social and fundraising programs offered by this Filipino cultural organization in Peel.

Masterworks of Oakville, Chorus & Orchestra

\$37,000 over two years for musicians, new music and an administrative co-ordinator. These will help to elevate the level of performance and artistic excellence of the group, enhance its administrative operation and promote organizational growth.

Maximilian Kolbe Foundation

\$12,400 over one year to improve the quality of table tennis activities at the Polish Cultural Centre by purchasing eight new tables. This will allow the group to offer their activities to more community members in Mississauga.

Mississauga Children's Choir

\$12,200 over one year to furnish an office and music library. This will assist the choir in running effectively and efficiently as well as provide additional space for music theory and vocal coaching lessons for children.

Oakville Chamber Ensemble

\$55,000 over two years for administrative, marketing, fundraising and artistic personnel and infrastructure. Programs will be created to ensure the ensemble's sustainability and provide the community with professional musicians and chamber music.

Oakville Parent-Child Centre

\$50,000 over six months toward the renovation of a new satellite location of the centre. The facility will provide early years programming and access for children and their families living in the Kerr Street neighbourhood in Oakville.

Ontario Inter-Cultural Community Services

\$110,000 over two years for a project co-ordinator and an executive director. These staff will deliver an after-school program for children and youth in Mississauga and support the development of this young organization.

Partners for Youth c/o Rotary Club of Palgrave

\$73,100 over one year to support outdoor recreation opportunities for community members in Bolton. Chillers and a refrigeration system will be installed at a multiuse sports pad, enhancing skating opportunities in the area.

Peel Children's Centre

\$225,000 over three years to strengthen and expand the centre's volunteer program. A co-ordinator will be hired to recruit and engage more volunteers in the delivery of highly specialized mentor and tutor programs for children and youth.

Peel Poverty Action Group c/o Social Planning Council of Peel

\$75,000 over one year to create a greater awareness of the issues surrounding homelessness in the Peel region by designing a community awareness package that will be disseminated throughout the region.

Performing Arts Burlington

\$197,000 over three years for staff and equipment to help enhance support to local arts organizations. Focus will be on capacity building, promotion and marketing, to facilitate the development of a permanent performing arts centre in Burlington.

Polish Canadian Women's Federation

\$48,000 over one year to mentor young women volunteers to develop a website and exhibits in Peel and Hamilton. These information sites will highlight the contributions of 50 Polish-Canadian men and women to Ontario's heritage.

Rapport Youth & Family Services

\$206,900 over five years to support and evaluate the success of the Fund Development Capacity Building Strategy of this key community agency in Peel.

Sandhill Pipe Band

\$11,900 over one year to encourage youth participation in this local band. New uniforms will be purchased for use by youth members in the Brampton-Caledon area.

Sierra Club Ontario Chapter c/o Sierra Club of Canada Foundation

\$48,000 over 10 months to support the development of an annual community car-free day event in Mississauga. It will target the participation of 1,000 individuals to help reduce approximately 14,000 tonnes of greenhouse gases.

Team Futures School of Gymnastics Inc.

\$58,300 over 10 months to acquire new equipment that will enhance safety and provide young amateur athletes in Mississauga with the opportunity and tools to develop to their fullest potential.

Halton-Peel

2009-2010

November 1 deadline

Ratified by the Ontario Trillium Foundation Board of Directors on March 4, 2010

Brampton Music Theatre

\$102,800 over two years to hire an artistic director, purchase equipment and promote the theatre. This will help establish a dynamic, regional youth performing-arts-education program for the North of Peel and surrounding regions.
